Ordering Process

Please fill out order form and submit to Stuart Blankenship, Orthophotography Project Manager, at stuart.blankenship@vita.virginia.gov

Forms can also be faxed to (804) 416-6353

If submitting an order for a significant number of individual tiles (10 or more), please submit shapefile with the selected tiles as an attachment to an e-mail to Stuart Blankenship. Statewide tile shapefiles can be downloaded from the VGIN orthophotography web page.

VGIN will contact you after your order submission to verify final price, delivery method, and estimated delivery timeframe.

Billing Process

Billing will take place 2-4 weeks after order is filled by VGIN. The billing process is handled by the VITA Billing Office which will send you an automated e-mail when your bill is ready to download from their online billing system. The automated e-mail will contain a link to the online system which requires a username and password. If you don't have an existing login, you can request one from the VITA Billing Office.
